To,

The Principal,

Green Flag Public School and College,

Karachi.

Subject: Request for Issuance of Matriculation (10th) Certificate, Recommendation Letter, and English Proficiency Certificate

Respected Sir,

I am Muhammad Taha Sattar, a student of Green Flag Public School and College, Karachi. I have been a student of this institution since Class Nursery, from approximately 2009, and have consistently maintained the best academic performance throughout my time here. I passed my 9th Grade examination in the academic session 2022-23, and my Matriculation (10th Grade) examination in the academic session 2023-24. My academic details are as follows:

9th Roll Number: 031136

Matric Roll Number: 373866

I am currently applying for a scholarship to pursue my higher education abroad. The awarding institution requires the following documents for verification purposes, and I would therefore request your good office to kindly issue me the following:

1. My Matriculation (10th Grade) Certificate, by issuing an official application/letter addressed to the Board office, on school letterhead, requesting issuance of my Matriculation Certificate.

2. A Recommendation Letter/Certificate on school letterhead.

3. An English Proficiency Certificate. I am willing to appear for any test or assessment the school may wish to conduct for this purpose.

I would be highly grateful if these documents could be issued at the earliest, as they are required for my scholarship application. Thank you for your time and consideration.

Sincerely,

Muhammad Taha Sattar
